

REMARKS

This amendment is being filed prior to payment of the issue fee. The amendment is necessitated to correct an error in the specification introduced by the Examiner's Amendment. The amendment does not change the scope of the claims. Accordingly, entry of the foregoing amendment is respectfully requested.

In the specification, paragraph number [0033] has been amended. The base portion (61) is "L-shaped," not "J-shaped" as indicated by the Examiner's Amendment. The base portion 61 is part of the reinforcing member (60) and does not include the attachment tab (64). The "L-shape" can be seen in Figure 3. A "J-shape" is formed by the attachment tab (64) not the base portion (61), which can be seen in Figure 2.

It is believed that no fees are due in connection with this Rule 312 amendment. In the event this is not correct, the undersigned authorizes the Commissioner to charge Deposit Account No. 19-0741.

Respectfully submitted,
